## ACADEMIC ELIGIBILITY POLICY

This policy will apply to all students in extra-curricular activities in grades 6-12. This includes anyone associated with the team including managers and statisticians.

Below is the recommended Academic Eligibility Policy:

1. All South Dakota High School Activities Association (SDHSAA) requirements and policies must be met.
2. Students will be eligible for the first two (2) weeks of each semester of the school year. Upon week three (3) and week 20 (second week of second semester) of the school year, a grade report will be run Monday morning at 11am. A grade report will be run every subsequent Monday of the school year at 11am with the exception listed in #3 below.
3. The first two weeks of Quarter 2 and Quarter 4, there will be no grade checks. Students with no failing grades for Quarter 1 and Quarter 3 will be eligible those two (2) weeks. Students that failed a Quarter 1 or Quarter 3 class will be ineligible for the first week of Quarter 2 and Quarter 4.

*\*Students with a failing grade either Quarter 1 or Quarter 3 may remain ineligible the second week of Quarter 2 and Quarter 4 if they still have incomplete work from the previous quarter.*

4. Students will be ineligible if:
  - They have one (1) or more failing grades in a class. The student is ineligible for all school-sponsored activities held Monday through Saturday of that week. If the next week the student continues to have a failing grade in that same class, the student, teacher, coach/advisor and administrator will meet to discuss circumstances and factors leading to the failing grade.
  - Parents of students with failing grades will be contacted and informed of the failing grade and details of the ineligibility period. This contact will be made by the instructor or administration (Principal/Activities Director).
  - Students will still be allowed to practice and attend home events. They will not attend events in which they would be required to be absent from school.
  - Eligibility will be reinstated if they have no failing grades when the next eligibility report is run.
  - Failing grades due to missing or incomplete work as a result of an excused/exempt absence will not result in ineligibility during the time period in which a student is allowed per school policy to complete that work. (1 day for every day absent + 1 day).
